PROFILE

Starting out at the BBC, Nigel learnt the tricks of the trade as a film edit assistant then Editor and soon went to work in USA as a commercials editor.

Specialising in Avid, he is a familiar face in some of the UK’s biggest post houses having regularly worked on some of the UK’s biggest drama series including Eastenders, Coronation Street and Hollyoaks. After 35 years in the game Nigel has a confidence and technical knowledge that is a valuable resource to have on any project.
