Profile

A hardworking, creative and personable editor with wide ranging experience across multiple genres and formats. In the last few years I've specialised mainly in sport and factual entertainment and enjoy the mix of styles this provides. I have good editorial judgement and clients enjoy working with me. I also have basic After FX and photo-shop skills that I can bring to the edit.

Credits - Factual & Entertainment

“Gogglebox” Series 14.

Fixed rig popular observational documentary series featuring recurring British couples, families and friends sitting in their living rooms watching weekly British television shows.

Studio Lambert for Channel 4

“House Share”

Six strangers from all over the UK move into a shared house in London in search of new careers and lives. They're also sharing every penny they earn. Rian and Muna already have jobs while the rest of the house need to get earning if they are going to pay this week's rent and bills. However, the contrasting attitudes to finding work leads to tension amongst the housemates and emotions spill over.
